NOTICE: Any provision by Contractor of Products, Equipment, or Services to Company is subject to these Terms and Conditions, which contain clauses that release and indemnify a party from the consequences of its own negligence or other legal fault. Any additional or different terms proposed by Company are expressly objected to and shall not be binding upon Contractor unless expressly accepted in writing by Contractor’s authorized representative. Any order for Products, Equipment, or Services shall constitute acceptance of these Terms and Conditions.

1. DEFINITIONS
   - “Affiliated” means with respect to either party an entity (including without limitation any individual, corporation, partnership, limited liability company, association, or trust) that directly or indirectly controls, is controlled by, or is under common control with such party.
   - “Applicable Data Protection Laws” means all data protection laws and regulations that apply to this Contract including but not limited to the Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016. For the purposes of this Contract the words “controller”, “data subject”, “personal data”, “personal data breach”, “processing”, “processor” have the meanings given in the Applicable Data Protection Laws.
   - “Applicable Laws” means any law, statute, order, decree, rule, injunction, license, permit, consent, approval, agreement, regulation, judgment, or legislative or administrative action of a competent governmental authority that applies to the provision of Products, Equipment, or Services, whether current or future.
   - “Company” means the entity purchasing Products, Equipment, or Services and its successors and permitted assigns.
   - “Company Group” means Company, its parent, Affiliates, and in connection with the project to which the Products, Equipment, or Services relate, its joint venture partners, joint interest owners, co-lessees, consortium members, and/or other partners, customers, and the end user, Site owners, and Site operators; and for all of the above, also its and their contractors and subcontractors of any tier in connection with said project, as well as the shareholders, officers, directors, employees, invitees, agents, insurers, and consultants of all of the foregoing not including any member of Contractor Group.
   - “Company Taxes” means all existing and future taxes, duties, fees, and other charges of any nature (including, without limitation, ad valorem consumption, excise, franchise, gross receipts, import, export, license, property, sales and use, stamp, storage, tariffs, transfer, turnover, value added taxes (“VAT”); and other similar taxes, and any and all items of deficiency, penalty, additional tax, interest, or assessment related thereto), imposed or assessed by any governmental authority of any country (or any political subdivision thereof) in connection with the execution of the Contract or provision of or payment for Products, Equipment, or Services hereunder, but excluding Contractor Taxes.
   - “Claim(s)” means all claims, demands, causes of action, liabilities, damages, judgments, fines, penalties, awards, losses, costs and expenses (including, without limitation, attorneys’ fees and costs of litigation) of any kind or character.
   - “Consequential Loss” means (i) any special, punitive, exemplary, incidental, indirect or consequential damages or losses under Applicable Law and (ii) any losses or losses of any kind or nature of business, profits, revenue, production or opportunity, loss of product, use or equipment, Company’s standby time, rig time, vessel, facility, or equipment downtime; cost of capital; cost of substitute equipment, facilities, services or replacement power; or overhead; whether any of the foregoing are direct or indirect, and whether or not foreseeable at the time of entering into the Contract or at the time of commencing performance; and (iii) claims of a party’s customers for any of the above losses, costs or damages.
   - “Contract” means either the contract agreement signed or otherwise agreed by both parties, together with these Terms and Conditions, any other documents incorporated by reference, Contractor’s Proposal, and any agreed scope of work for the provision of Products, Equipment, or Services.
   - “Contract Price” means the aggregate amount to be paid by Company to Contractor for the purchase of Products, Equipment, or Services as stated in the Contract, and any agreed adjustments to the same.
   - “Contractor” means the named direct or indirect subsidiary of Baker Hughes Company signing the Contract, and its successors and permitted assigns.
   - “Contractor Group” means Contractor, its parent, subsidiaries, Affiliates, related companies; its subcontractors at any tier; and the officers, directors, employees, consultants, and agents of all the foregoing.
   - “Contractor Taxes” means all corporate income taxes imposed on Contractor and any taxes imposed on Contractor’s employees by Applicable Laws in connection with the execution of the Contract or the provision or payment for Products, Equipment, or Services hereunder.
   - “Deliver” means when the Products or Equipment have been delivered according to the applicable Incoterm. “Deliver” shall be construed accordingly.
   - “Equipment” means Contractor Group’s equipment, instruments, or tools that are rented to Company under the Contract.
   - “Standard Commercial Clauses” means the Standard Commercial Clauses (SCC) set out in the Commission Implementing Decision (EU) 2017/694 of 4 June 2017 implementing the standard commercial clauses for the transfer of personal data to third countries pursuant to Regulation (EU) 2016/679 of the European Parliament and of the Council, as amended or replaced from time to time by a competent authority under the relevant Data Protection Laws.
   - “Group” means the respective party’s group as defined hereunder; Company Group as to Company and Contractor Group as to Contractor.
   - “Hazardous Material” means any chemical, substance, material, waste, or emission defined, classified, or regulated as hazardous or toxic, or as a pollutant, contaminant, or threat or potential threat to human health, safety, or the environment under Applicable Law, including but not limited to naturally occurring radioactive material, hydrocarbons, asbestos, lead, hydrogen sulphide, or polychlorinated hydrocarbons, including biphenyls and biphenols.
   - “INDEMNIFY” means release, defend, indemnify, and hold harmless.
   - “Products” means all equipment, materials, supplies, software, products, parts, and other goods (excluding Equipment) sold under the Contract.
   - “Proposed” means Contractor’s formal offer to provide the Products, Equipment, or Services, and any agreed written amendments thereto.
   - “REGARDLESS OF CAUSE OR ACTION” means (TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW) REGARDLESS OF: CAUSE, FAULT, DEFAULT, NEGLIGENCE IN ANY FORM OR FASHION (INCLUDING GROSS NEGLIGENCE, WILFUL MISCONDUCT, STRICT OR ABSOLUTE LIABILITY), BREACH OF DUTY (STATUTORY OR OTHERWISE), BREACH OF REPRESENTATION OR WARRANTY, OR BY ANY PERSON OR ENTITY INCLUDING THE INDEMNIFIED PARTY, UNSEAWORTHINESS OF ANY VESSEL, OR ANY DEFECT IN ANY PRODUCT, EQUIPMENT, TOOL, PREMISES, OR VESSEL; FOR ALL OF THE ABOVE, WHETHER PRE-EXISTING OR NOT AND WHETHER THE CLAIMS RESULT FROM CONTRACT, WARRANTY, INDEMNITY, TORT, EXTRA-CONTRACTUAL OR STRICT LIABILITY, QUASI CONTRACT, LAW, OR OTHERWISE.
   - “Services” means all the services, including without limitation, technical assistance and guidance, training, repairs, and remote diagnostics, to be provided by Contractor Group under the Contract.
   - “Site” means the premises where Equipment or Products are used or Services are performed, not including any of Contractor Group’s facilities.
   - “Subsea & Surface Pressure Systems” means the following product lines: (i) Subsea Projects & Services, (ii) Surface Pressure Control, and (iii) Flexible Pipe Systems.
   - “Tools” means Contractor Group’s equipment, instruments, and tools used in connection with the Services.
   - “UK IDTA” means the Standard Data Protection Clauses issued by the UK Information Commissioner under the Data Protection Act 2018: the International Data Transfer Agreement (https://ico.org.uk/media/for-organisations/documents/4018583/international-data-transfer-agreement.pdf) or the International Data Transfer Addendum to the UK Commission Standard Commercial Clauses (https://ico.org.uk/media/for-organisations/documents/4018483/international-data-transfer-addendumpdf) as the case may be and as amended from time to time.

2. DELIVERY, TRANSFER OF TITLE & RISK, STORAGE, CONSIGNMENT
   2.1 Unless otherwise provided in the Contract and in accordance with Incoterms 2020: (i) for shipments that do not involve an exit out of Contractor’s country of incorporation and for all Equipment rentals, Contractor shall Deliver the Products or Equipment to Company FCA Contractor’s facility, place of manufacture, or warehouse; (ii) for shipments within the European customs territory, Contractor shall Deliver
CPT – carriage paid to named place of destination; (ii) for other export shipments out of Contractor's country of incorporation, Contractor shall Deliver Products to Company FOR in case of transportation by sea (specifying the port of export); FCA loaded into aircraft, in case of transportation by air (specifying the airport of export); or CPT – carriage paid to named place of destination specified between the parties, in case of transportation by rail or road. The "Delivery Date" for any Product is defined as the date on which such item is Delivered in accordance with this Article 2.3, or agreed upon delivery and delivery in advance of the Delivery schedule shall be permitted, unless otherwise specified in the Contract.

2.2 Subject to Articles 2.3 and 2.5 title and risk of loss to Products shall pass upon Delivery as provided in Article 2.1, with the exception that title and risk of loss to (i) Products shipped from the US shall pass from Contractor to Company immediately after each item departs from the US territorial land, seas and overlying airspace, which the parties acknowledge extend to twelve nautical miles from the baseline of the country, determined in accordance with the 1982 United Nations Convention of the Law of the Sea; and (ii) Products to be shipped to a Delivery destination directly from countries different from Contractor's country of formation (drop shipment), shall pass immediately after each item departs from the territorial land, seas and overlying airspace of the sending country. For the avoidance of doubt, the relevant Contractor Group member shall retain title to any Equipment.

2.3 If any of the Products are not promptly picked up or otherwise accepted by Company due to no fault of Contractor upon notice to Company, Contractor may store such Products or ship them to outside storage, in which cases: (i) any amounts otherwise payable to Contractor upon Delivery or shipment shall become payable upon presentation of a certification specifying the cause and place of storage (any Payment Schedules shall be agreed upon and the presentation of notice of storage instead of transport documents) (ii) all expenses incurred by Contractor Group, such as for preparation and placement into storage, handling, inspection, preservation, insurance, removal charges, interest, and any VAT or other taxes imposed directly or indirectly under Applicable Law shall be reimbursed or paid by Company upon submission of Contractor's invoices; and (iii) when reasonably possible and upon payment of all amounts due hereunder, Contractor shall resume Delivery of the Products to the originally agreed point of Delivery. Title and risk of loss shall pass when Products are Delivered at the originally agreed point, provided that Contractor shall not have any obligation to store any item beyond 60 calendar days; and if the storage extends beyond 60 calendar days, Contractor shall be entitled to resume Delivery of the Products to the agreed point of Delivery as provided in Article 2.1. Title and risk of loss shall pass as provided in Article 2.1 or if Company requests Contractor to store Products beyond Sixty (60) days period, then risk of loss of or damage in the Products shall pass upon Company upon the expiration of this period (unless otherwise expressly agreed between the Parties in writing). The terms of this Article 2.3 shall apply also in the event any Company equipment supplied at Contractor Group's facilities cannot be shipped to or received by Company in accordance with the agreed upon terms, provided that, in the case of Company equipment to be serviced at Contractor Group's facilities, Company shall retain title to, and risk of loss for, any such equipment at all times.

2.4 Contractor shall not be liable for delays in the Delivery of Products beyond the contractually agreed Delivery Date or delays in the commencement of the performance of Services beyond the contractually agreed commencement date, unless the parties mutually agreed to an amount of liquidated damages in the Contract. In such case, the parties agree that the liquidated damages are not a penalty and represent a fair and reasonable estimate of the damages. Company may suffer as a result of delay. SAID LIQUIDATED DAMAGES SHALL CONSTITUTE THE SOLE AND EXCLUSIVE LIABILITY OF CONTRACTOR GROUP AND THE SOLE AND EXCLUSIVE REMEDY OF COMPANY GROUP FOR DELAY. No liquidated damages are due unless Company has suffered direct economic harm.

2.5 For Products provided on consignment, the risk of loss shall pass to Company upon Delivery in accordance with Article 2.1, but title shall remain with Contractor. Where Products are used by Company, Contractor agrees to in writing the Parties, consigned Products that have not been used or removed from the consignment inventory six (6) month after delivery will, at Contractor's sole reasonable discretion, be either (i) deemed used by Company and purchased by Company in accordance with the payment terms set forth in the Contract, or (2) returned to Contractor designated facilities, at Contractor's sole risks and costs, subject to payment of restocking fees. Products, which have been damaged or contaminated when being under Company Group's custody or control, shall be deemed used and should be paid for.

3. EXCUSABLE DELAYS – Neither party shall be liable or in breach to the extent its performance is delayed or prevented by (i) causes beyond its reasonable control, (ii) acts of God, or governmental authorities, including without limitation fire, severe weather, earthquake, strikes or other labor disturbances, serious risk of kidnapping, armed conflict, terrorism, epidemics, pandemics, civil unrest, riot, or (iii) in the case of Contractor, acts or omissions of Company Group, including without limitation failure to pay invoices (in each situation in (i) – (iii) above shall constitute an "Excusable Delay"). The Delivery or performance dates shall be extended for a period equal to the time lost by reason of such delay, plus such additional time as may be reasonably necessary to overcome the effect of such delay. Contractor shall be entitled to charge Company the standby rate set forth in the Contract during any period of Excusable Delay, and shall have the right to terminate the Contract if the Excusable Delay exceeds 10 days. Furthermore, Contractor shall also be entitled to an equitable price adjustment in the event that the Excusable Delay increases Contractor's costs to perform under the Contract. Under no circumstances shall Company's payment obligation be deemed excusable under this Article.

4. WARRANTY

4.1 Subject to the limitations set forth in the Contract and this Article 4, Contractor warrants to Company that: (i) the Products or Equipment shall be Delivered free from defects in title and shall conform to Contractor's published specifications or the specifications agreed to in writing by Company; and (ii) the Services shall be performed in a competent manner and shall conform to the material aspects of any specifications agreed to in writing by Company. No warranty is extended to Products or Equipment used with components that are not manufactured or approved by Contractor.

4.2 Chemical Products: Contractor warrants to Company that chemical Products shall, upon departure from Contractor's point of origin, conform to the published physical and chemical specifications established by Contractor.

4.3 Specialty Products: In the event Company requests Contractor to design or engineer Products that are intended to satisfy a unique need identified by Company and are not "standard" Products of Contractor ("Specialty Products") Company hereby recognizes, and agrees that Specialty Products do not necessarily have or contain the same or similar characteristics as Contractor's "standard" Products and Contractor will be relying upon information and specifications provided by Company in designing and engineering Specialty Products. As such, Contractor shall have no responsibility for the design, development, or manufacture of any Specialty Products. If any of the Specialty Products fail to meet the specifications agreed to in writing by Company and Contractor, then Contractor shall, at its option, repair or replace the non-conforming Specialty Products or provide substitute Products having Contractor's "standard" specifications.

4.4 Discharge Services: Except to the extent that Contractor has agreed to provide its discharge compliance engineering services ("Discharge Services") to Company pursuant to the Contract, Contractor shall have no responsibility for achievement of and compliance with any specific oil retention or similar requirements mandated by any Applicable Laws. If Discharge Services are rendered by Contractor and agreed oil retention or similar requirements are not met, then Contractor shall, at its option, perform the Discharge Services, or provide a credit to Company to cover any reasonable documented additional disposal costs incurred by Company as a result of the nonconforming Discharge Services, provided that such credit shall be limited to 3% of the amount charged by Contractor for the nonconforming Discharge Services.

4.5 Interpretations and Recommendations: Interpretations, research, analysis, recommendations, advice or interpretational data including, without limitation, any preliminary cuttings reination programs, engineering designs, geological studies or analyses, well programs, reservoir models, or drilling production optimization or management programs ("Interpretations or Recommendations") furnished by Contractor, are opinions or interpretations on information from measurements, empirical relationships and assumptions, and industry practice, which are not inapplicable, and with respect to which geologists, engineers, drilling consultants, and analysts may differ. Accordingly, Contractor does not warrant the accuracy, correctness, or completeness of any such
interpretations or Recommendations, or that Company's or any third party's reliance on such interpretations or Recommendations will accomplish any particular results. COMPANY ASSUMES FULL RESPONSIBILITY FOR THE USE OF SUCH INTERPRETATIONS OR RECOMMENDATIONS AND FOR ALL DECISIONS BASED THEREON (INCLUDING, WITHOUT LIMITATION, DECISIONS BASED ON ANY OIL AND GAS EVALUATIONS, PRODUCTION FORECASTS, AND RESERVE ESTIMATES), AND COMPANY SHALL INDEMNIFY CONTRACTOR GROUP FROM ANY CLAIMS ARISING OUT OF THE USE OF SUCH INTERPRETATIONS OR RECOMMENDATIONS REGARDLESS OF CAUSE OR ACTION.

4.6 Contractor will endeavor to transmit data to Company in accordance with current industry practice; however, Contractor does not warrant the accuracy of data transmitted by electronic processes and will not be responsible for accidental or intentional interception of such data by others.

4.7 The standard warranty period for (i) Products is 30 days from shipment from Contractor's facility, and (ii) Services is prior to Contractor's departure from the Site. In the case of drill bits, the warranty period is 90 days from shipment from Contractor's facility. In the case of electric submersible pumps (and associated cable and surface equipment), the warranty period is the earlier of (a) 12 months from the date of installation, or (b) 18 months from shipment from Contractor's facility or from the date of notice that such Products are ready for shipment (if the Delivery cannot take place for reasons not attributable to Contractor Group), or from the date of notice that such Products are put into storage under Article 2.3, whichever occurs first. In the case of Subsea & Surface Pressure Systems Products, 12 months from Contractor's departure from the Site. The warranty period for repaired, replaced, or re-performed Products or Services other than Subsea & Surface Pressure Systems shall be for the remainder of the original warranty period. The warranty period for repaired, replaced, or re-performed Subsea & Surface Pressure Systems Products or Services shall be six months after repair/replacement or re-performance, provided that Contractor Group's warranty obligations shall in all cases terminate and in no event extend beyond 18 months after Delivery or placement into storage of the original Products or performance of the initial Service. The warranty periods as stated in this Article 4.7 can be modified upon mutual agreement of the parties in the Contract.

4.8 If Products, Equipment, or Services do not meet the above warranties during the applicable warranty period and Company informs Contractor in writing within 15 days of discovery (or prior to Contractor's departure from the Site for onsite Services), Contractor's sole and exclusive liability shall be to either re-perform the defective Services, or repair or replace the defective component of the Products or Equipment at Contractor's option. If despite Contractor's reasonable efforts, a non-conforming Product or Equipment cannot be repaired or replaced, or non-conforming Services cannot be re-performed, the parties will make a good faith effort to negotiate an equitable adjustment in price with respect to such Product, Equipment, or Service. Contractor Group shall not under any circumstances be liable for defects that arise or are discovered after expiration of the warranty period.

4.9 Contractor shall not be liable for accessing, retrieving, removing, or decontaminating defective Products or Equipment, or for reinstalling repaired or replacement Products or Equipment, or for any costs, damages, or losses incurred in connection with any of the above operations. Contractor shall be responsible to transport defective Products or Equipment only to and from the original Delivery point. Company shall be responsible for all customs formalities, costs and taxes connected with any export to Contractor or import of goods sent back to Company. In no event shall Contractor be liable for rig time incurred by Company as a result of defective or non-conforming Products, Equipment, or Services, including any rig time necessary for Contractor to re-perform the Services in accordance with this Article 4.

4.10 Products and Services shall be subject to Contractor's stated manufacture variations. All tables published by Contractor are based upon information believed reliable; however, Contractor does not guarantee the accuracy of same. All measurements and weights set forth in such tables are subject to reasonable tolerance variations. With respect to any tubular goods acquired by Company from Contractor, Company agrees to handle such goods in accordance with API Publication RP 5C1. Care and Use of Casing and Tubing, including without limitation § 6.3 thereof, Storage, and with good industry practice, and to indemnify Contractor Group from any loss, cost or damage resulting from Company's failure to perform its obligations under this Article 4.10.

4.11 Contractor does not warrant the Products or Equipment against: vandalism, Excusable Delay, abnormal well conditions, correlation due to aggressive fluids, or normal wear and tear, including that due to environment, excessive operation at peak capability, misuse, accident, modification, heating, machining, bending, welding, alteration of any kind, or operation under conditions more severe than, or otherwise exceeding those set forth in, the specifications for the relevant Product or Equipment. Contractor Group shall not, and this warranty does not extend to, (i) proper storage, installation, use, operation, and maintenance of the Products or Equipment, and conformance with the operation instruction and installation manuals (including revisions thereto) provided by Contractor Group; (ii) Company keeping accurate and complete records of operation and maintenance during the warranty period and providing Contractor access to those records; and (iii) repair or modification pursuant to Contractor's instructions and approval. Failure to meet any such conditions in this Article 4.11 renders the warranty null and void.

4.12 All spare or repaired parts that are Delivered shall conform to Contractor's part or version number specified in the Contract, or its equivalent or the superseding number subsequently assigned by Company. If the number ordered is no longer available, Company is authorized to provide a valid interchangeable part without notice to Company.

4.13 THE REMEDIES SET FORTH IN ARTICLE 4 CONSTITUTE THE SOLE AND EXCLUSIVE REMEDIES FOR ALL CLAIMS ARISING OUT OF OR RELATING TO ANY FAILURE OF, DEFECT OR NON-CONFORMITY IN THE PRODUCTS, EQUIPMENT, OR SERVICES, REGARDLESS OF WHEN THE FAILURE, DEFECT OR NON-CONFORMITY ARISES AND REGARDLESS OF CAUSE OR ACTION THE WARRANTIES SET FORTH IN ARTICLE 4 ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, CONDITIONS, AND GUARANTEES, WHETHER WRITTEN, ORAL, IMPLIED, OR STATUTORY, NO IMPLIED OR STATUTORY WARRANTY OR CONDITION OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE SHALL APPLY.

5. INSPECTION AND FACTORY TESTS — The quality control exercised by Contractor in its manufacture of Products shall be in accordance with Contractor's normal quality control policies, procedures, and practices. Contractor shall attempt to accommodate Company's requests to witness Contractor's factory tests of Products, but only if such witnessing can be arranged without delaying the work and Company shall be responsible for any delays created thereby. Access to Contractor's premises shall be limited to areas directly concerned with the Products, excluding any areas where work of a proprietary nature is conducted.

6. CHANGES — Each party may at any time propose changes in the schedule or scope of Products, Equipment, or Services in the form of a draft change order. Neither party is obligated to proceed with the changed schedule or scope until both parties agree to such change in writing. Unless otherwise agreed by the parties, pricing for additional work arising from such changes shall be at Contractor's price book rates.

7. INVOICES

7.1 Sales invoicing procedures will commence in alignment with the incoterms of the Contract (as provided for in Article 2). Company shall ensure all required internal procedures to receive and make payment on the related invoice(s) are in line with the agreed incoterms and payment terms set out in the Contract.

7.2 For rental and service transactions, invoicing procedures will commence on the earlier of job completion or 1-week intervals from the first chargeable day. Company shall ensure any formal approval process they require can be carried out within the agreed payment terms and if required by the Contract will review and approve any evidence, field tickets or work tickets, pro-forma invoices (or equivalent) within 3 days of receipt of the same. If Company does not request clarification of such evidence, field ticket, work ticket, pro-forma invoice (or equivalent) within such 3 day period, such documentation will be deemed accepted and Contractor shall be entitled to submit the invoice(s). Company shall not impose restrictions on the submission of invoices to certain days of the week or month.

7.3 Unless otherwise agreed in the Contract, all invoices submitted to Company will be in English. All invoices issued to Company will be sent electronically via email or approved electronic exchange service. In the event Company is utilizing invoice electronic exchange services and
Contractor is unable to submit invoices through the service due to Company's technical issues, Contractor shall immediately notify Company using the email address stated in the Contract and if the issue is not resolved within 3 working days from the date of notification, Contractor shall submit the invoice by email.

7.4 Contractor shall be entitled to issue invoices to Company for partial deliveries or services performed under the Contract. Subject to Article 8.2, Company shall make full payment of all invoices in accordance with the payment provisions set out in Article 8.1.

7.5 Regardless of any change to the Contract made in accordance with Article 8, there shall be no change to Contractor's ability to raise invoices and the Company's responsibility to make payment in accordance with Articles 7.1-7.4.

8. PAYMENT

8.1 Company shall pay to Contractor all invoiced amounts (against one or more irrevocable, unconditional, letter(s) of credit payable at sight ("Payment Security") if applicable) without any set-off, and in the currency agreed in the Contract. If nothing is agreed in the Contract, payment shall be made in the currency set forth in the Proposal and on 30 day terms from date of the relevant invoice. Payment milestones, if any, shall be as set forth in the Contract.

8.2 In the event Company disputes any invoice in whole or in part, Company shall promptly (and in any event within 10 days of the date of the relevant invoice) notify Contractor of the dispute and shall pay the undisputed portion in accordance with Article 8.1 above. Company and Contractor shall endeavor to settle and adjust any disputed amount forthwith.

8.3 If Company fails to pay any outstanding undisputed invoice or fails to issue the Payment Security within the time agreed Contractor may suspend performance and Delivery. Any cost incurred by Contractor as a result of such suspension shall be payable by Company upon submission of Contractor's invoices. In addition to other Contract remedies and Contractor's right to revoke any discounts from list price, Company shall pay (i) interest to Contractor at the rate of 15% per month (or fraction thereof), not to exceed the lesser of 18% per annum or the maximum amount permitted by Applicable Law and (ii) Contractor's cost of collection, including attorney fees and court costs on all amounts not timely paid in accordance with the Contract.

8.4 Each Payment Security shall be irrevocable and unconditional, and allow for pro-rata payments for partial Deliveries, other charges (e.g., storage, export shipments, cancellations, and adjustments), and all other payments due to Contractor under the Contract. Each Payment Security shall be: (i) issued or confirmed by a primary international bank that is reasonably acceptable to Contractor; (ii) payable at the counters of such bank; (iii) opened 30 days from the Contract effective date; and (iv) remain in effect until the latest of 90 days after the latest scheduled Products shipment, or completion of Services or Equipment rental period, or receipt by Contractor of final payment. Company shall make relevant adjustments in the Payment Security (including increasing amounts or validity period, and including in accordance with the changes agreed in the Contract) as required to fulfill its payment obligations under the Contract, within 15 business days of Contractor's notification that such adjustment is necessary. Contractor will not have an obligation to begin performance until the Payment Security, or the required adjustment thereof, has become operative.

8.5 To secure payments of amounts owed by Company to Contractor, Company grants Contractor a lien upon and a security interest in all interest in property (real or personal) that Company now owns (and proceeds of such). All of Contractor's lien rights, whether arising hereunder or under Applicable Law, are enforceable at Contractor's discretion, in arbitration or in any court of competent jurisdiction, notwithstanding Article 23. Company hereby authorizes Contractor to execute, provide notice and record in the public records any document required to perfect this lien and security interest under Applicable Law. The lien and security interest created hereby are in addition to any other liens and security interests arising by statute or common law in favor of mechanics or materialmen.

9. TAXES AND DUTIES

9.1 Contractor shall be responsible for and shall pay all Contractor Taxes, and Company shall be responsible for and shall pay all Company Taxes without affecting the Contract Price or any payments to Contractor. The Contract Price does not include any Company Taxes. Therefore, if any such taxes are applicable they will be added to the Contract Price. For US sales and use tax, and in other jurisdictions where applicable, Company may report and remit sales or similar taxes directly if Company timely provides a direct pay or exemption certificate to Contractor.

9.2 If the Applicable Laws require the Contract to be subject to stamp duty, fee, or registration, Company shall be responsible for the required formalities and bear the related costs. Company shall return to Contractor a copy of the registration certificate or a registered copy of the Contract within 10 days from the date required by Applicable Laws to register or pay for such stamp duty, fee, or registration. According to the Applicable Laws of the country in which Company has requested Contractor to provide Services, Contractor may be required to be registered locally, in which case, Contractor shall perform the Services and invoice for them with the intervention of its relevant branch or permanent establishment.

9.3 If Company is required to deduct or withhold any Contractor Taxes from the Contract Price, Company shall (i) give at least 30 days' prior written notice to Contractor that Company will withhold, (ii) make all reasonable efforts to minimize any withholding tax from payments to Contractor in accordance with Applicable Laws and any applicable bilateral conventions against double taxation, and (iii) provide to Contractor within 30 days from payment, the official receipt issued by the competent government authority to which the Contractor Taxes have been paid. If Company requires tax residence certificates from Contractor to apply for any exempted or reduced tax regime, Contractor shall submit the appropriate certificates upon Company's written request. If Company, under the Applicable Laws of any country other than Contractor's country of formation, deducts or withholds Contractor Taxes (unless such Contractor Taxes are related to Services and are applied under the Applicable Law of the country in which the Services are performed) or such Services are performed by a registered branch of the Contractor in that country), or if Company fails to comply with the requirements of this clause, Company shall pay additional amounts to Contractor so that Contractor receives the full amount of the Contract Price, as though no such Contractor Taxes had been deducted or withheld.

9.4 If Company benefits from any tax, fee or duty exemption that is applicable to Contractor or Contractor's Group, Company agrees to provide to Contractor, without charge and before the following as applicable: (i) entering into the Contract, (ii) invoicing, or (iii) any other relevant event, documentation acceptable to the competent tax or customs authorities supporting the exemption, together with instructions on the exemption procedure. Company shall promptly inform Contractor in writing about the revocation, expiry, or other change of the exemption. If Contractor is denied the exemption because of a failure of Company, Contractor shall be entitled to invoice and Company shall pay promptly the applicable tax, fee or duty.

9.5 When Company arranges the export or intra-European Union ("EU") community shipment, Company will provide to Contractor, free of charge, and within 90 days of Delivery (or 30 days in the case of exports from the US) evidence obtained from Company's forwarder of exportation or intra- EU community shipment. Such evidence must be in a formal that is acceptable to the competent tax and customs authorities. Failing the above, Contractor shall be entitled to invoice Company the applicable VAT, US sales and use tax, or similar taxes.

9.6 If either party does not comply with the tax legislation of the country where the Services are rendered or Products or Equipment are manufactured or delivered, such party ("Faulty Party") will INDEMNIFY the other party ("Affected Party") for any cost, risk and responsibility including, but not limited to, fees, taxes, duties, charges, penalties, legal expenses, and interest which the Affected Party might suffer as a result of Faulty Party's noncompliance. Company and Contractor may make commercially reasonable efforts to cooperate with each other to minimize the tax liability of any of the parties, to the extent legally permissible (but with no obligation to increase such party's tax liability), including separately stating taxable charges on Contractor's invoices and Company supplying resale and exemption certificates, if applicable, and any other non-confidential information as reasonably requested.

9.7 Company warrants, represents and undertakes for itself and on behalf of Company Group, that neither Company nor any member of Company Group shall (i) engage in any activity, practice or conduct which would constitute either a UK or foreign tax evasion facilitation offence under Part 3 of the Criminal Finances Act 2017 (the "Act") and any associated
guidance notes issued or similar legislation introduced elsewhere; (ii) have and shall maintain in place throughout the term of the Contract, such policies and procedures that are both reasonable to prevent the facilitation of tax evasion by any associated person as defined in the Act, and to require compliance with this Article 97; and (iii) promptly report to Contractor any request or demand from a third party to facilitate evasion of tax within the meaning of Part 3 of the Act, in connection with the performance of the Contract. Where reasonable evidence is obtained that there has been a breach of this Article 97, Contractor shall have the right, with no less than 30 days’ notice, to request the relevant records of the Company which relate directly to the Contract to enable the Contractor to confirm whether a breach has occurred. If a breach of this Article 97 is subsequently confirmed, this shall be considered a material breach and Contractor shall have the right to terminate the Contract.

10. ASSIGNMENT, NOVATION AND SUBCONTRACTING

10.1 Company may assign or novate the Contract, in full or in part and including through change of ownership, only with the prior written consent of Contractor, which consent shall not be unreasonably withheld or delayed. Contractor shall be entitled to withhold such consent if the assignee/novatee lacks adequate financial capability, is a competitor or potential competitor of Contractor or its Affiliates, or causes Contractor Group to be in breach of Applicable Law, or does not meet Contractor’s code of ethics. Contractor may assign or novate to third parties the Contract, in full or in part, only with the prior consent of Company, which consent shall not be unreasonably withheld, provided that Contractor may, without Company’s consent, assign or novate the Contract, in full or in part, to one or more Affiliates of Contractor. The parties agree to execute such documents as may be necessary to effect the permitted assignments or novations. Any assignment or novation in violation of the above shall be void and without effect for the other party. Nothing herein shall restrict Contractor from subcontracting portions of its work, provided that Contractor remains responsible to Company for performance of such work.

11. TERMINATION

11.1 Either party may terminate the Contract for default if the other party becomes insolvent or commits a material breach of this Contract and fails to cure or commence actions to cure the breach within 30 days of notice from the non-breaching party. Furthermore, Company may terminate the Contract for convenience by providing 120 days’ prior written notice.

11.2 In the event of a termination pursuant to Article 11.1 for any reason, Company shall pay Contractor (i) for all Products, Equipment or Services completed or delivered prior to termination, (ii) all costs and expenses, including overhead, incurred by Contractor in connection with Products, Equipment, or Services in progress, but not completed or delivered plus a 25% margin and (iii) demobilization costs and the costs associated with vendor cancellation fees or Claims arising from the termination of any vendor agreements.

11.3 Company’s rights to terminate pursuant to Article 11 shall constitute Company’s sole and exclusive remedies for Contractor’s default and all other rights and remedies under law are excluded.

12. COMPLIANCE WITH LAWS

12.1 The parties shall at all times comply with Applicable Law in the performance of the Contract, except to the extent that such compliance violates, or would cause Contractor to be penalized under, the laws of the US, UK or EU.

12.2 Contractor is entitled to an equitable adjustment to Contract Price and the Delivery schedule to reflect additional costs and other impact resulting from a change in Applicable Law, standards and/or regulations, including changes in the interpretation thereof, after entering into the Contract. In the event any such change prevents Contractor Group from executing its obligations without breaching Applicable Law or makes Contractor’s execution of its obligations unreasonably burdensome or unbalanced, Contractor shall also have the right to withdraw its Proposal or terminate the Contract without any liability.

12.3 Unless otherwise agreed in the Contract, Contractor shall be responsible for timely obtaining all permits, licenses, and authorizations required for the access to and operation of the Products, Equipment, and Services at the Site, and any other authorizations that can only be obtained by Company Group; and Contractor shall be responsible for timely obtaining all permits, licenses, and authorizations required for the Tools and Contractor Group’s employees. Company and Contractor shall provide each other reasonable assistance in obtaining the required authorizations.

12.4 Company agrees not to sell, re-export or transfer US UK or EU origin Products or Equipment or any related technical data in violation of the applicable export control laws. Company shall (or shall cause the end user of the Products or Equipment to) provide to Contractor promptly upon its request, an “End User Statement”. Contractor shall not be liable to Company for any delay and shall not be considered in breach of its obligations in the event of Company’s failure or delay in providing such statement.

12.5 Contractor hereby advises Company that Contractor cannot participate in transactions or dealings involving any of the following countries or governments or with any entity known to be organized in, owned or controlled by, or acting on behalf of, directly or indirectly, a national or government of these countries: Cuba, Iran, North Korea, Syria, the Crimea region of Ukraine, or any other country or area, in relation to which the US or EU sanctions are applied or involving otherwise blocked property or a denied or restricted party. If during performance of the Contract, Contractor is required to engage in any act, transaction, or dealing for the direct or indirect benefit of Cuba, Iran, Syria, North Korea, the Crimea region of Ukraine, or any other country or area, in relation to which the US or EU sanctions are applied or involving otherwise blocked property or a denied or restricted party, a national government, or entity of, these countries, or involving otherwise blocked property or a denied or restricted party, such requirement will constitute grounds for immediate termination or suspension of the Contract by Contractor and Contractor shall be entitled to payment in accordance with Article B3 for suspension and Article H12 for termination.

12.6 The parties agree to comply with all Applicable Data Protection Laws. The parties commit to enter into a Data Processing Agreement (DPA) when needed. Further, the parties agree to enter into EU Model Clauses and/or UK IDTA when required by EU UK or Swiss law or ensure that equivalent safeguards are in place. If intended actions by one or more parties require further agreements and/or other actions to comply with the Applicable Data Protection Laws, the parties agree to mutually collaborate and sign them and/or take actions as required.

13. HEALTH, SAFETY ENVIRONMENT, AND SECURITY (HSE)

13.1 Company shall take all actions necessary to provide a safe, healthy, and secure work environment, including transportation and accommodation if applicable, for Contractor Group personnel and shall inform Contractor of any known risks, hazards, or changed conditions impacting the same. Contractor may suspend performance or evacuate its personnel at any time without liability if it reasonably believes its personnel are at risk.

13.2 If Contractor believes in good faith that Site conditions or the actions of others threaten the health, safety, or security of personnel or the environment, Contractor may, in addition to other rights or remedies available, stop work, evacuate its personnel, suspend performance of the Contract, or remotely perform or supervise work (collectively “STOP WORK”) if Contractor exercises its rights under this Article, the parties shall work cooperatively to correct the conditions or actions prompting the STOP WORK. Any delay resulting from Contractor Group’s exercise of its rights under this Article shall constitute an Excusable Delay.

13.3 Company agrees that it is the generator and shall be solely responsible for the storage, transportation, and disposal of all Hazardous Materials, cuttings, or waste related to or arising from the performance of Services at Company Group sites. If Contractor Group encounters any Hazardous Materials, it may suspend work pending Company elimination of the hazardous condition. If any Equipment, Tools, or Company equipment destined for a Contractor facility is contaminated with Hazardous Materials, Contractor Group shall assume sole responsibility for decontaminating such Equipment, Tools, or Company equipment and returns it in its same condition any equipment is recovered for safe handling and transportation in compliance with Applicable Law. Contractor shall also be entitled to an equitable adjustment in price and schedule if any such Hazardous Materials cause an increase in Contractor’s cost or time. Contractor shall provide medical care and facilities at the Site consistent with international industry standards. If Contractor Group’s personnel require urgent medical attention, Company shall make its medical facilities available and, if necessary, provide for transport to the nearest suitable urgent care facility. For offshore or remote work, Company shall be responsible for the medical evacuation of Contractor Group’s
13.5 Company shall transport Contractor Group's personnel, equipment, and materials, including medi-vac, to and from all offshore locations and to such other Sites as agreed, in compliance with Applicable Law and international industry standards regarding qualified personnel and safe operation and maintenance. Company shall provide personal protective equipment required during use of Company provided transportation to and from the offshore work and such other specialized equipment as agreed between the parties.

13.6 Company shall provide, at no cost to Contractor, accommodation and messing for Contractor Group's personnel, which offers a reasonable degree of comfort, consistent with international industry standards, and is at least comparable to that furnished to Company's management and technical personnel. Company shall also provide phone and internet connectivity to Contractor Group's personnel at said accommodations.

14. CONFIDENTIALITY

14.1 "Confidential Information" means pricing for Products, Equipment, and Services, or information that is designated in writing as "confidential" or "proprietary" at the time of disclosure, or orally designated as "confidential" or "proprietary" and confirmed in writing within ten days after oral disclosure. Confidential Information shall not include information that: (i) is or becomes generally available to the public other than from disclosure by the receiving party's Group; (ii) is or becomes available to the receiving party's Group on a non-confidential basis from a source other than the disclosing party and, after due inquiry, that source is not subject to a confidentiality obligation to the disclosing party; or (iii) is independently developed by the receiving party's Group without reference to the disclosing party's Confidential Information, as evidenced by written documents.

14.2 The parties shall: (i) use, reproduce, or disclose the other party's Confidential Information only in connection with the Contract and permitted use(s) and maintenance of Products, Equipment, or Services; and (ii) take reasonable measures to protect the confidentiality, and prevent disclosure and unauthorized use of the Confidential Information and (iii) not disclose Confidential Information to the other party's competitors.

14.3 A party may disclose Confidential Information: (i) to any member of its Group who has a need to know to perform the Contract or use and maintain Products, Equipment, or Services and who is bound in writing to confidentiality obligations and use restrictions at least as restrictive as in this Contract; and (ii) to comply with a legal obligation, but only after promptly notifying the disclosing party of its disclosure obligation so that the disclosing party may seek an appropriate protective order. Company shall not disclose Confidential Information to Contractor unless required for Contractor to perform under this Contract. COMPANY WARRANTS THAT IT HAS THE RIGHT TO DISCLOSE THE CONFIDENTIAL INFORMATION AND SHALL INDEMNIFY CONTRACTOR GROUP FROM ANY CLAIMS RESULTING FROM IMPROPER DISCLOSURE.

14.4 The confidentiality and use restrictions of this Article 14 shall survive any termination of the Contract for ten years.

15. INTELLECTUAL PROPERTY

15.1 Contractor shall INDEMNIFY Company from any rightful Claims of third parties that the Products or Equipment manufactured by Contractor or its Affiliates infringe any utility patent of the US, UK, EU, or the country of initial installation (if set forth in the Contract), provided that: (i) Company promptly notifies Contractor in writing of its receipt of any such Claim; (ii) Company makes no admission of liability and does not take any position adverse to Contractor regarding such Claim; (iii) Company gives Contractor full authority, at Contractor's expense, to direct and control all legal defenses, as well as all settlement and compromise negotiations; and (iv) Company provides Contractor with full disclosure and assistance that may be reasonably required to defend any such Claim.

15.2 Contractor shall have no obligation or liability with respect to any Claim based upon: (i) any Products, Equipment, or Services that have been altered, modified, or revised; (ii) the combination, operation, or use of any Products, Equipment, or Services with other products or services when such combination creates a part of any allegedly infringing subject matter; (iii) failure of Company Group to implement any update provided by Contractor Group that would have prevented the Claim; (iv) unauthorized use of Products, Equipment, or Services including without limitation a breach of the provisions of the Contract; or (v) Products, Equipment, or Services made or performed to Company Group's specifications.

15.3 Should any Products, Equipment, or Services become the subject of a Claim, Contractor may at its option: (i) procure for Company the right to continue using the Product, Equipment, or Service, or portion thereof; (ii) modify or replace it in whole or in part to make it non-infringing; or (iii) failing (i) or (ii) above, take back Products or Equipment, discontinue Services, and refund any fees received by Contractor attributable to the infringing Product, Equipment, or Service.

15.4 THE FOREGOING STATES CONTRACTOR GROUPS ENTIRE AND EXCLUSIVE LIABILITY FOR ANY INFRINGEMENT OF INTELLECTUAL AND INDUSTRIAL PROPERTY RIGHTS.

15.5 Each party shall retain ownership of all Confidential Information and intellectual property it owned prior to the negotiations of the Contract. Any and all new intellectual property conceived, created or provided by Contractor Group under the Contract, whether alone or with any contribution from Company Group, shall be owned exclusively by Contractor or other members of Contractor Group, as the case may be. To the extent that Company Group may acquire any right or interest in such new intellectual property, Company irrevocably assigns, and agrees to assign or cause other members of Company Group to assign, all such rights and interests in such new intellectual property as instructed by Contractor and to execute assignments and other documentation as necessary to achieve this result. To the extent permissible by Applicable Law, Company Group waives any moral rights it acquires in any such new intellectual property. Contractor shall grant Company use rights to utilize Contractor's intellectual property embedded in the Products or Equipment solely for standard use, operation, and maintenance of the Products or Equipment by Company. Such license shall not give Company the right to manufacture or have manufactured such Products or Equipment.

15.6 Company agrees that Contractor may create, receive, maintain, transmit, and otherwise have access to machine, technical, system, usage, and related information, including, but not limited to, information about Company's products, services, systems, and software, that is gathered periodically to facilitate the provision of Products, Equipment, or Services to Company, and to verify compliance with the terms of this Contract. Contractor and its Affiliates may use such information to provide, develop, or improve their products or services.

16. INDEMNITY, LIMITATION OF LIABILITY, AND INSURANCE

The provisions of Article 16 shall apply to the maximum extent permitted by Applicable Law.

16.1 (i) CONTRACTOR AGREES TO INDEMNIFY COMPANY GROUP FROM AND AGAINST ANY AND ALL CLAIMS FOR PERSONAL INJURY, ILLNESS, OR DEATH SUFFERED BY ANY MEMBER OF CONTRACTOR GROUP, OR FOR DAMAGE TO OR LOSS OF ANY PROPERTY OF ANY MEMBER OF CONTRACTOR GROUP (WHETHER OWNED, HIRED, OR LEASED, BUT EXCLUDING EQUIPMENT AND TOOLS SOLD OR DAMAGED IN ACCORDANCE WITH ARTICLE 16.2), ARISING OUT OF, OR IN CONNECTION WITH THE CONTRACT, REGARDLESS OF CAUSE OR ACTION.

(ii) COMPANY AGREES TO INDEMNIFY CONTRACTOR GROUP FROM AND AGAINST ANY AND ALL CLAIMS FOR PERSONAL INJURY, ILLNESS, OR DEATH SUFFERED BY ANY MEMBER OF COMPANY GROUP, OR FOR DAMAGE TO OR LOSS OF ANY PROPERTY OF ANY MEMBER OF COMPANY GROUP (WHETHER OWNED, HIRED, OR LEASED; AND INCLUDING THE PRODUCTS AFTER DELIVERY, THE SITE, AND ANY FACILITIES OR PROPERTY THEREON), ARISING OUT OF, OR IN CONNECTION WITH THE CONTRACT, REGARDLESS OF CAUSE OR ACTION.

16.2 (i) CONTRACTOR AGREES TO INDEMNIFY COMPANY GROUP FROM AND AGAINST ANY RIGHTFUL THIRD PARTY CLAIMS ON ACCOUNT OF PERSONAL INJURY, ILLNESS OR DEATH, OR DAMAGE TO OR LOSS OF PROPERTY, TO THE EXTENT RESULTING DIRECTLY FROM THE NEGLIGENCE OF CONTRACTOR GROUP IN CONNECTION WITH PERFORMANCE OF THE ACTIVITIES PERFORMED UNDER THIS CONTRACT.

(ii) COMPANY AGREES TO INDEMNIFY CONTRACTOR GROUP FROM AND AGAINST ANY RIGHTFUL THIRD PARTY CLAIMS ON ACCOUNT OF PERSONAL INJURY, ILLNESS OR DEATH, OR DAMAGE TO OR LOSS OF PROPERTY, TO THE EXTENT RESULTING DIRECTLY FROM THE NEGLIGENCE OF COMPANY GROUP IN CONNECTION WITH THE ACTIVITIES PERFORMED UNDER THIS CONTRACT.

(iii) IN THE EVENT THE INJURY OR DAMAGE TO THIRD PARTIES IS CAUSED BY THE JURISDICTIONAL OR CONCURRENT NEGLIGENCE OF THE PARTIES OR THEIR RESPECTIVE GROUPS, EACH PARTY SHALL BEAR THE LIABILITY OF SUCH INJURY OR DAMAGE PROPORTIONALLY TO ITS GROUP'S NEGLIGENCE. FOR THE AVOIDANCE OF
Doubt, no members of either party's group shall be considered third parties.

16.3 notwithstanding anything else to the contrary, in the contract, Company assumes sole responsibility for and shall indemnify the contractor group (to the maximum extent permitted under applicable law) from and against any and all claims asserted by or in favor of any person or entity arising out of or related to: (i) loss of or damage to any well or hole (including but not limited to the casing, pipe, tubulars equipment and tools therein, and the costs of re-drill and sidetrack); (ii) blowout, fire, explosion, cratering, or any uncontrollable well condition (including but not limited to the costs to control a wildwell and the removal of debris); (iii) damage to any reservoir, geological formation, or underground strata; (iv) the loss of or impairment of any property right in and to any oil, gas, water, or other mineral substance; (v) the use of contractor group's radioactive materials or any contamination resulting therefrom (including but not limited to retrieval or containment and clean-up); (vi) pollution or contamination of any kind including without limitation, that of oil, control, removal, clean-up, and remediation; or (vii) damage to, or escape of any substance from, any pipeline, vessel, or storage or production facility, arising out of or in connection with the contract. the above indemnity applies regardless of cause or action.

16.4 EXCEPT ONLY FOR CONTRACTOR'S OBLIGATIONS IN ARTICLES 6.1, 15, 16.3(i), and 12.1 (to the extent of fines and penalties imposed by a government authority as a result of contractors violation of applicable law), contractor group's total liability for any and all claims, regardless of cause or action, arising out of or related to the contract or its performance or breach, including without limitation warranty and termination, shall not exceed any circumstances exceed (i) in the case of claims resulting from the provision or failure to provide, or from the use or failure to use products or equipment, the contract price allocable to the product or equipment arising under the claim; and (ii) in the case of claims resulting from the provision or failure to provide services, the contract price allocable to the services arising under the claim. Contractor group shall have no liability for advice or assistance gratuitously provided by contractor group but not required pursuant to the contract. All contractor group's liabilities shall terminate at the end of the relevant warranty period, except for claims that have been timely commenced by company in accordance with the contract. Company shall indemnify contractor group from any claims that exceed the limitation of liability set forth in this article 16.4, regardless of cause or action.

16.5 notwithstanding anything else to the contrary in the contract, and except only to the extent of any agreed liquidated damages and predetermined termination fees due to contractor under the contract, Contractor shall indemnify company group from and against all and all claims for consequential loss of contractor group arising out of or in connection with the contract, regardless of cause or action and company shall indemnify Contractor group from and against any and all claims for consequential loss of company group arising out of or in connection with the contract, regardless of cause or action.

16.6 (i) If tools or equipment become lost or damaged in the well or hole when performing or attempting to perform the services hereunder, it is understood that company shall make every effort to recover the tools or equipment at its sole cost. company shall assume the entire responsibility for fishing operations in the recovery or attempted recovery of any such lost or damaged tools or equipment none of contractor's employees are authorized to do anything whatsoever, nor shall any of contractor's employees be required by company to do anything, other than consult in an advisory capacity with company in connection with such fishing operations.

(ii) notwithstanding article 16.6(i) above, should company fail to recover any tools or equipment lost in the well, or should any tools or equipment become damaged in the well, or damaged during recovery, company shall reimburse contractor for the cost of repairing any tools or equipment so damaged, or the replacement value of any such tools or equipment that are lost or not repairable, regardless of cause or action.

16.7 Company shall indemnify contractor group from and against any and all claims asserted by or in favor of any person or entity arising out of or related to the transportation, storage, treatment, disposal, or handling of hazardous materials, cuttings, or waste related to or arising from the performance of services at company group's site, without limitation, contamination of or adverse effects on the environment or any form of property, or any violation or alleged violation of statutes, ordinances, laws, orders, rules, and regulations (including, without limitation, all claims under the comprehensive environmental response, compensation, and liability act ('cercla'), 42 u.s.c. §§ 9601 et seq, or other applicable statutes or regulations, regardless of cause or action.

16.8 in the event this contract is subject to the indemnity or release limitations in chapter 127 of the texas civil practices and remedies code (or any successor statute), each party covenants and agrees to support their indemnity obligations in this article by carrying liability insurance (or qualified self-insurance) in an amount not less than usd $10,000,000.00 for the benefit of the other party as indemnitees.

16.9 The reciprocal indemnities in Articles 16.1 and 16.2 shall apply only if the indemnified party: (a) promptly notifies the other in writing of the claim; (b) makes no admission of liability, does not take any position adverse to the other party, and gives such other party authority to direct and control all defense, settlement and compromise negotiations; and (c) provides the other party with full disclosure and assistance as may be reasonably required to defend such claim.

16.10 Company and contractor shall maintain insurance policies meeting the following requirements: (i) Workers Compensation/Employer's Liability as per applicable law; (ii) Comprehensive General Liability. Combined Single Limits for Bodily Injury and Property Damage USD $25,000,000 per occurrence and USD $10,000,000,000 in the aggregate (or its equivalent in another relevant currency), which may be satisfied through a combination of underlying and excess coverages. The parties agree that, to the extent of the indemnifying party's liability and indemnity obligations under this contract, the indemified party's group shall be an additional insured (with the exception of workers compensation/employer's liability) under the indemnifying party's policies, contain blanket contractual liability coverage, be primary, and receive no contribution from any insurance policies maintained by or on behalf of the indemified party. Each party, on request, shall provide to the other party insurance certificates evidencing the aforementioned limits and terms of insurance. Company and contractor shall each arrange for any of their respective insurance policies hereunder to contain provisions whereby, to the extent of each party's liability and indemnity obligations under this contract, their insurers waive their rights of subrogation against the other party's group, as well as the other party's respective insurers.

17. COMPANY'S WARRANTY — if company is not the sole owner of the mineral interests, the well or the field, company's request for products, equipment, or services shall constitute company's warranty that it is the duly constituted agent of each and every owner and has full authority to represent the interests of the same with respect to all decisions taken throughout the provision of any products, equipment, or services hereunder. company shall indemnify contractor group from and against all claims resulting from the allegations by any person or entity that company has misrepresented or lacked sufficient authority to represent such person or entity as warranted by company in this article.

18. DIRECTIONAL DRILLING — company shall furnish Contractor with a certified well location plan setting out the surface location of the well, the lease, license, or property boundary lines, and the bottom hole location of Company's directionally drilled well. if, in the course of drilling the well, it becomes evident to Contractor that the plan is in error, Contractor shall notify Company of the error, and Company shall be responsible to regulate all directional drilling factors so that Company's bottom hole location will be situated on Company's property, license, or leasehold at total depth of the well being drilled. Company shall also notify Contractor of the presence of any other wells that are or may be located within Company's property, license, or leasehold in order to avoid any
potential collision of wells. NOTWITHSTANDING ARTICLES 182(i) and 162(2)(ii), COMPANY SHALL INDEMNIFY CONTRACTOR GROUP FROM AND AGAINST ANY CLAIMS ARISING OUT OF OR RELATED TO SUBSURFACE TRESPASS OR WELLBORE COLLISION ARISING OUT OF OR IN CONNECTION WITH THE CONTRACT, REGARDLESS OF CAUSE OR ACTION.

19. RADIOACTIVE SOURCES — Company agrees to comply with all applicable governmental regulations governing the use and handling of radioactive sources. In the event a radioactive source becomes stuck in a well, Company, at Company’s sole risk and expense will make a reasonable attempt to recover such radioactive source in accordance with the applicable regulations and use special precautions to prevent damaging the source during recovery operations. If the source cannot be recovered, Company, at Company’s sole risk and expense, will isolate the radioactive material by cementing it in place or by other means consistent with 10 CFR § 39.15 or other applicable statutes or regulations.

20. LOST EQUIPMENT INDEMNITY BUY BACK — In some locations, lost equipment indemnity buy-back (“LEB") is available for some Tools LEB must be purchased by Company prior to the Tools leaving Contractor’s point of origin. Regardless of LEB, Company shall make every reasonable effort to recover Tools lost or damaged in a well or hole in accordance with Article 16.6. Contractor reserves the right not to offer LEB at its sole discretion.

21. SOFTWARE — If Contractor provides any software, including SaaS [Software-as-a-Service], embedded software, or software that is installed on Company Group's equipment, the use of such software shall be governed by a separate license or use agreement. In the absence of such agreement, Contractor grants Company a non-transferrable, non-sublicensable, non-exclusive limited license for Company to use the software and its associated documentation and any third-party software included therewith or therein, solely for Company's internal business purposes. Company has no right to (i) lease, rent, transfer, distribute, sublicense, timeshare, or allow third parties to access software, documentation, or third-party software, nor assign any rights hereunder to a third party without Contractor's prior, written agreement; (ii) disassemble, decompile, reverse engineer, or otherwise attempt to reconstruct or discover the source code of the software or third-party software; (iii) pledge software or third-party software as collateral or otherwise, or encumber such software or third-party software with any lien or security interest; or (iv) remove, alter or obscure any product identification, copyright, trademark, or other notice from software, documentation or third-party software.

22. GOVERNING LAW — This CONTRACT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF (i) THE STATE OF TEXAS; OR (ii) ENGLAND AND WALES, IF CONTRACTOR IS INCORPORATED OUTSIDE THE UNITED STATES EXCLUDING ANY IN CASE CONFLICT OF LAW RULES.

23. DISPUTE RESOLUTION

23.1 Any dispute arising out of or in connection with this Contract shall be referred to the International Chamber of Commerce (ICC) mediation rules, without prejudice to either party’s right to seek emergency, injunctive, or conservatory measures of protection at any time. If any such dispute has not been settled within 60 days following the filing of a request for mediation (or such other period of time as may be reasonable under the circumstances or agreed in writing), the dispute shall be finally settled in accordance with the ICC rules of arbitration by one or more arbitrators appointed under the said rules. If Contractor is incorporated in the United States, the seat, or legal place, of arbitration shall be Houston, Texas. If Contractor is incorporated outside the US, the seat, or legal place, of arbitration shall be Geneva, Switzerland. The language of the arbitration shall be English and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

23.2 The Parties shall treat all matters relating to the arbitration as confidential. The Parties understand and agree that this confidentiality obligation extends to information concerning the fact of any request for arbitration, and any ongoing arbitration, as well as all matters discussed, discovered, or divulged, (whether voluntarily or by compulsion) during the course of such arbitration proceeding, except only to the extent disclosure may be required by law, or for the implementation, enforcement or challenge of an award, or otherwise for bona fide business purposes (provided that all such disclosures shall be subject to reasonable obligations of confidentiality).

24. GENERAL CLAUSES

24.1 Contractor is an independent contractor and neither Contractor nor any members of its Group are servants, agents, or employees of Company. In all cases where Contractor's employees (defined to include Contractor’s and its subcontractors’ direct, borrowed, special, or statutory employees) are covered by the Louisiana Workers’ Compensation Act, La. R.S. 23:102 et seq., Contractor and Company agree that all Products, Equipment, and Services provided by Contractor and Contractor's employees pursuant to this Contract are an integral part of and are essential to the ability of Company to generate Company's goods, products, and services for the purpose of La. R.S. 23:106 (A) (i). Furthermore, Contractor and Company agree that Company is the statutory employer of Contractor’s employees for purposes of La. R.S. 23:1061 (A) (3).

24.2 Except as otherwise expressly provided with regard to the members of each party’s Group, none of the terms herein are intended to be enforced by third parties including but not limited to application of the United Kingdom Contracts (Rights of Third Parties) Act (1999), where applicable. Company and Contractor shall be entitled to modify, vary, amend, or extinguish such rights without the consent of any third parties or member of either party’s Group.

24.3 This Contract represents the entire agreement between the parties and no modification, amendment, rescission, waiver, or other change shall be binding on either party unless agreed to in writing by their authorized representatives. Each party agrees that it has not relied on, or been induced by, any representations of the other party not contained in the Contract.

24.4 The invalidity in whole or in part of any part of this Contract shall not affect the validity of the remainder of the Contract. In the event any provision of this Contract is held invalid or unenforceable, only the invalid or unenforceable part of the provision shall be severed, leaving intact and in full force and effect the remainder of the sentence, clause, and provision to the extent not held invalid or unenforceable.

24.5 All obligations of Contractor are several and not joint, and in no event shall Baker Hughes Company or any of its Affiliates other than Contractor have any liability or obligation under the Contract.

25. US GOVERNMENT CONTRACTS

25.1 This Article 25 applies only if the Contract is for the direct or indirect sale to any agency of the US government or is funded in whole or in part by any agency of the US government. Company agrees that all Products, Equipment, and Services provided by Contractor meet the definition of “commercial-off-the-shelf” (“COTS”) or “commercial item” as those terms are defined in Federal Acquisition Regulation (“FAR”) 2.101. To the extent the Buy American Act, Trade Agreements Act, or other domestic preference requirements are applicable to this Contract, the country of origin for Products or Equipment is unknown unless otherwise specifically stated by Contractor in this Contract. Company agrees any Services offered by Contractor are exempt from the Service Contract Act of 1946 (FAR 52.222-41). The version of any applicable FAR clause listed in this Article 25 shall be the one in effect on the effective date of this Contract.

25.2 If Company is an agency of the US government, then as permitted by FAR 12.302, Company agrees that all paragraphs of FAR 52.212-4 (except those listed in 12.302(b)) are replaced with these Terms and Conditions. Company further agrees the subparagraphs of FAR 52.212-5 apply only to the extent applicable for sale of COTS or commercial items and as appropriate for the Contract Price.

25.3 If Company is procuring the Products, Equipment, or Services as a contractor or subcontractor at any tier, on behalf of any agency of the US government, then Company agrees that FAR 52.212-5(e) or 52.244-6 (whichever is applicable) applies only to the extent applicable for sale of COTS or commercial items and as appropriate for the Contract Price. If the reasonableness of the price cannot be established through adequate price competition, or if cost or pricing data should be required for any other reason, or if a Product, Equipment, or Service cannot be considered a “commercial item”, Contractor may terminate the Contract without penalty and be paid pursuant to Article 11.2.
